Making Swaps for OnStage?

Read On!

OnStage is almost here, and that means the swap-making is about to begin! For those of you who wanted to use stamp sets that will be carrying over, we thought we would help out by releasing a list of several sets that will be in the new annual catalog (though you can, of course, make swaps with any set you like). Please note that the retired list will be available after the release of the new annual catalog. Have fun making your swaps—and be sure to make one for the Stampin' Up! home office. We love to see your work!
