IMPORTANT TO REMEMBER

- Pals Points translate to shopping spree dollars. 1 point = 1 dollar
- Points are redeemed in \$5 increments with a 25 point minimum.
- You cannot go over your spree amount and pay the difference.
- Redeem immediately (25 point minimum) OR earn more points toward a larger spree. Stampin' (host) Rewards are offered at the \$150 level.
- I cover the cost of shipping and tax in addition to your spree amount.
- There is no deadline or expiration for rewards earned after Oct. 1, 2018.
- Pals are responsible for keeping track of their points and submitting the redemption form.
- Your demonstrator status must be ACTIVE at the time you redeem rewards.
- **I reserve the right to change the program or terminate it at any time.**

IMPORTANT: Pals Points (rewards) orders are placed ONCE at the beginning of each month (typically the 1st or 2nd business day). Depending on when you redeem, delivery could take up to six weeks because redemption orders are combined in one order and reshipped. Redeem at least 3 business days before the first of the month for the quickest turnaround. Only Stampin' Up! **promotions current at the time I place the monthly order** (not at the time of redemption) will apply.

ITEMS NOT INCLUDED ON PALS REWARDS

- Clearance rack items.
- Retiring (last chance) items.
- Demonstrator supply items and Demonstrator pre-order items.
